Reference: 30 Day Post-General Report (10/19/06 - 11/27/06)

Dear Ms. Sugarman:

I have reviewed the concerns of the FEC regarding missing information on our 30 Day Post General Report. Each of the contributors who did not have their occupation and name of employer listed were contacted via a letter requesting the information when their contributions were received. If they did not respond, we called them on the phone if a number was available. In the particular cases on this report they were people who attended an event organized by someone not associated with our office.

As a follow up to your letter, we called the individual who put on the event and asked them to get the information for us. They have done so and we have amended the report.

Our procedure is as follows:

- A disclaimer is on any solicitation mail we send out requesting information regarding employer and occupation.
- A form letter requesting the information is sent with a stamped self-addressed return envelope.
- A phone call is made requesting the information

I have enclosed a copy of our "information request" letter.

The missing information regarding the "office sought" on Schedule B of the report has been entered on the amendment.

Sincerely,

Patricia McKeon, Treasurer
